

Giving Tuesday 2020

On this annual day of global giving, we invite you to read our stories of hope and transformation, along with some great photos and videos, on [GlobalGiving](#). We're highlighting some exciting projects that are making positive impacts on vulnerable children, families and communities especially hard hit during the COVID-19 pandemic.

Only well-vetted projects are accepted to share on the international GlobalGiving platform. As a [Charity Navigator Four Star Charity](#), we are a trusted partner for making meaningful and sustainable change in the lives of vulnerable populations around the world.

If you are in a position to give financially this year, we hope you will consider joining us in making 2021 a better year for all children and their families by supporting one or all of our projects today on [GivingTuesday](#).
