

A Year to Remember

While most people are eager to put the year 2020 behind them, we have a lot to celebrate. Because of the agility of our regional teams and the unwavering support of our funders and donors, we have helped a record number of children and families avoid hunger and poor health during the global pandemic. It is a testament to the power of partnerships and the dedication of our staff and volunteers to go the extra mile to fulfill our mission of building pathways for vulnerable children, families and communities to achieve well-being and self-reliance year after year since 1986.

As we close the door on an unbelievably challenging year, we are already planning for a new year of promise and possibility for millions of people mired in complex cycles of poverty. We invite you to join our team as a volunteer, donor or partner to build your own legacy as a champion for today's children and for generations to come. Wishing you and everyone you love a joyful, healthy and safe new year!
