### ***Nutritious Food Means Healthy Children and Brighter Futures***

[INMED Partnership for Children \(http://www.inmed.org/\)](http://www.inmed.org/) is an international organization with headquarters right here in Loudoun County. And since 1986, INMED has built alliances with public- and private-sector partners in more than 100 countries to rescue children from the immediate and irreversible harm of disease, hunger, abuse, neglect or violence, and to prepare them to shape a brighter future for themselves and the next generation.

INMED uses a broad range of health, social, education, violence prevention and community development programs, and in doing so, helps to create opportunities that inspire hope, build self-reliance, and encourage community collaboration to sustain positive change.

Next week, join the [Loudoun Area Chefs Collaborative \(http://www.facebook.com/people/Loudoun-Area-Chefs-Collaborative/100001251180347#%21/profile.php?id=100001251180347\)](http://www.facebook.com/people/Loudoun-Area-Chefs-Collaborative/100001251180347#%21/profile.php?id=100001251180347) as they whip up culinary masterpieces to INMED Partnerships for Children. Chef Christopher Edwards ([The Restaurant at Patowmack Farm \(http://www.patowmackfarm.com/\)](http://www.patowmackfarm.com/)), Chef Aaron McCloud ([Vintage Restaurant Group \(http://vintagerestaurantgroup.com/\)](http://vintagerestaurantgroup.com/)), Chef Patrick Dinh ([Tuscarora Mill \(http://www.tuskies.com/\)](http://www.tuskies.com/)), and Chef Morrocco ([Magnolia's at The Mill Restaurant \(http://www.magnoliasmill.com/\)](http://www.magnoliasmill.com/)) will prepare an elegant five course farm-to-table dinner showcasing Loudoun County's best seasonal produce and local wines.
