December 29, 2009

Dear Friend,

You heard from us last month, when we invited you to help inspire hope and transform the future for vulnerable children in partnership with INMED. Now, as the year draws to a close, we would like to remind you that you have two days left to secure your 2009 tax deduction with your contribution.

Even better, if you [donate](#) by December 31, 2009, the impact of your gift will be **doubled**, thanks to our **dollar-for-dollar holiday match**, up to \$55,000! That means twice the investment in our ongoing work to transform the future for a generation of children through tested programs that are rescuing them from irreversible harm caused by malnutrition, disease, abuse and violence, poverty and poor education.

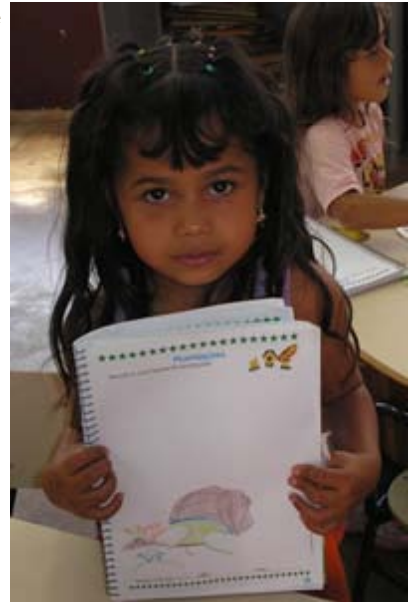

Especially now, these challenges are magnified among the children, families and communities we serve in the U.S. and around the world—but thanks to the generosity of committed and compassionate supporters like you, together we will rise to meet the needs of the most vulnerable among us.

Please join us in lighting the way toward a brighter future for children living on the edge, ensuring that their hopes, promise and potential are matched by opportunity, and preparing them to shape their own destiny, by making your end-of-year donation [online](#) or by sending a check dated by December 31 to the address listed below.

With sincere thanks and warmest wishes for a healthy and happy new year,

Linda Pfeiffer, Ph.D.
President and CEO

P.S. Don't forget to [sign up](#) for our free e-newsletter, which will keep you informed of how your contributions are making a real, lasting difference in the lives of children, their families and communities around the world!

About INMED Partnerships for Children

Since 1986, INMED Partnerships for Children has worked around the world to prevent irreversible harm to children, whether through disease, neglect or lack of education or opportunity, helping them develop the skills they need to succeed and empowering them and their communities to create hope and opportunity for themselves and generations to come.

For more information or to submit questions and comments, please contact Director of Development Mary-Lynne Lasco at contact@inmed.org.
