

**GENERAL FEDERATION
of WOMEN'S CLUBS**

February 1, 2013

Dear GFWC Clubwomen,

All of us here at INMED Partnerships for Children would like to wish you a very happy New Year! We hope that you spent a lovely holiday season surrounded by family and friends. Surely, your clubs are very busy preparing for spring meetings and state conventions. Well, we've been busy here coming up with fun new ways to grow our partnership with clubs across the country. We're very excited to announce our Face the Challenge raffle to take place at the annual convention!

If you'd like the chance to win a fun prize at the convention and see your photos displayed at the INMED table, please participate! All you need to do is request INMED's Face the Challenge campaign materials and present them at an upcoming club meeting no later than June 10, 2013. Then send INMED a photo with your club members holding the materials and you will be entered into the raffle to take place at the convention. Your club will also be highlighted on the INMED website and social media sites.

Already presented the campaign materials to your club? Then you are already entered! For everyone else, to get started please visit our campaign webpage at <http://www.inmed.org/face-the-challenge/> or contact Joey Shanahan, GFWC Partner Liaison, at jshanahan@inmed.org or 310-764-0955 ext. 105

Visit our Website and Social Media Sites – We'd love to connect with you and your club!

For any feedback, questions or to speak with someone about the items above, kindly contact Ms. Joey Shanahan, GFWC partner liaison, at (310) 764-0955 ext. 105 or jshanahan@inmed.org.

Warmest regards,

Linda Pfeiffer, Ph.D.
Founder, President and CEO

About INMED Partnerships for Children

INMED Partnerships for Children is an international humanitarian development organization. Since 1986, INMED has built alliances with public- and private-sector partners in more than 100 countries to rescue children from the immediate and irreversible harm of disease, hunger, abuse, neglect or violence, and to prepare them to shape a brighter future for themselves and the next generation.

Together with our partners, INMED is transforming the future for hundreds of thousands of children and their family and community members in the U.S., Latin America and the Caribbean, and southern Africa by:

- Securing children's health, development and safety
- Developing skills, knowledge and opportunities for children and youth
- Building family and community capacity to support and sustain positive change
