**Partnerships for Children**  
*Healthy Children, Bright Futures*

Dear Friend,

During this season of giving thanks, there is no better time to recognize the many unique and valuable contributions of our partners and supporters in Loudoun County and beyond.

We hope you all enjoyed a wonderful Thanksgiving in the company of family and friends. Thanks to several special partners in our community, we were able to make the holiday a bit happier for more than 80 of our neighbors. The Rotoract Club at the Northern Virginia Community College Annandale Campus led a food drive that collected 20 overflowing boxes of food for families in need.

For the fifth consecutive year, the Leesburg Police Department and Spanky's Shenanigans sponsored the Thanksgiving dinner for participants in our family education and support groups. Not only did members of the Leesburg Police deliver the dinner, but they served it as well. The INMED Loudoun team presented the officers with a "You Make the Difference" plaque and a collage of letters written by the children, in which they expressed what they like the most about the police.

In addition to these generous partners, we have so many more people and organizations to thank... Many of them are named below, but be sure to click on the names to see our personal messages of thanks.

## About INMED Partnerships for Children

INMED Partnerships for Children is an international humanitarian development organization. Since 1986, INMED has built alliances with public- and private-sector partners in more than 100 countries to rescue children from the immediate and irreversible harm of disease, hunger, abuse, neglect or violence, and to prepare them to shape a brighter future for themselves and the next generation.

Together with our partners, INMED is transforming the future for hundreds of thousands of children and their family and community members in the U.S., Latin America and the Caribbean, and southern Africa by:

- Securing children's health, development and safety
- Developing skills, knowledge and opportunities for children and youth
- Building family and community capacity to support and sustain positive change
