**Partnerships for Children**  
*Healthy Children, Bright Futures*

Dear Friend,

After working with thousands of families in the last 18 years, we are excited to open our new office to the community we love. Please accept this email as an invitation to our Open House on:

***Tuesday, December 11, 2012, 2:00 pm – 5:00 pm***  
***INMED Partnerships for Children***  
***1546 E. Compton Blvd. Compton, CA 90221***

To RSVP, please email [jshanahan@inmed.org](mailto:jshanahan@inmed.org)  
or call 310-764-0955 ext. 105

We are extremely thankful for all the families who have come to us for support over the years. Through the MotherNet program, we have been able to work with hundreds of pregnant and parenting teens in the greater Compton community. These young moms and dads continue to amaze and inspire us each year.

Please take a moment to [watch](#) a digital story made by one of our young moms!

In partnership with generous foundations, companies, and individuals, we have been able to offer many innovative and important programs ranging from childhood immunization to mentoring and youth gang intervention. Please click [here](#) to learn more about our programs.

We look forward to creating additional programs in the coming months, with a focus on youth development. We welcome your partnership and look forward to working together to serve this great community for years to come!

Join us on social media.

Wishing you and your family a happy and healthy holiday season,

Warmest regards,

Ms. Joey Shanahan, MPH  
Director, Los Angeles Programs

P.S. In the spirit of Giving Tuesday, a campaign to create a national day of giving, please share this email with your friends and colleagues!

## About INMED Partnerships for Children

INMED Partnerships for Children is an international humanitarian development organization. Since 1986, INMED has built alliances with public- and private-sector partners in more than 100 countries to rescue children from the immediate and irreversible harm of disease, hunger, abuse, neglect or violence, and to prepare them to shape a brighter future for themselves and the next generation.

Together with our partners, INMED is transforming the future for hundreds of thousands of children and their family and community members in the U.S., Latin America and the Caribbean, and southern Africa by:

- Securing children's health, development and safety
- Developing skills, knowledge and opportunities for children and youth
- Building family and community capacity to support and sustain positive change
