INMED Awarded “Exceptional” Charity Rating

Ashburn, Virginia, May 8, 2008—For the third consecutive year, INMED has received the highest rating for sound fiscal management from Charity Navigator, America’s leading charity evaluator. Our four-star “exceptional” rating demonstrates that INMED “exceeds industry standards and outperforms most charities in its cause.”

In fact, as Charity Navigator reports, “Receiving four out of a possible four stars indicates that your organization excels, as compared to other charities in America, in successfully managing the finances of your organization in an efficient and effective manner. This consistency in your rating is an exceptional feat, especially given the economic challenges many charities have had to face in the last year.”

When you donate to INMED, you can be sure that your contribution is responsibly and effectively invested in our work to improve the health, lives and opportunities of children, families and communities around the world. To view INMED’s profile on Charity Navigator, visit www.charitynavigator.org and type “INMED” into the Charity Search box. To make a tax-deductible contribution now, [click here](#).
