SEPTEMBER 28

NetWitness 4th Annual Ride for the Kids will Benefit INMED Partnerships for Children

Ashburn, VA (September 28, 2010) — NetWitness, the leading provider of next generation network monitoring and threat analysis solutions, will hold its 4th Annual Ride for the Kids charity event on Saturday, October 2, 2010. This year NetWitness has selected INMED Partnerships for Children to benefit from the annual charity event.

Event Details: The NetWitness Ride for the Kids motorcycle ride kicks off at 8:00 a.m. at Bob Evans Restaurant in Chantilly (14050 Thunderbolt Pl., Chantilly VA 20151). The ride ends around noon at Algonkian Regional Park (47001 Fairway Dr., Sterling VA 20165) in Sterling, with a family barbecue from 12:00 p.m. to 2:00 pm. Non-riders are encouraged to attend the afternoon barbecue which includes music, prizes and games. Everyone in the Washington D.C. area is invited to attend the motorcycle ride, the picnic afterward, or both events.

Costs: To participate in the motorcycle ride alone, NetWitness will collect \$30 from each rider to support INMED. For a \$40 donation, riders can partake in the ride, and will also receive a custom-designed "NetWitness Ride for the Kids" t-shirt and a ticket to the afternoon BBQ at Algonkian Park. Additional family or friend tickets to the barbecue can be purchased on site for donations to INMED of \$10 for adults and \$5 for kids.

INMED has been serving children and their families for nearly 25 years – a legacy that has been made possible with the support of partners like NetWitness, just named the 21st fastest-growing company in the U.S. and the top company in the Washington, D.C. metro area on the 2010 Inc. 500 list.

"We are honored that INMED was chosen by NetWitness as the beneficiary of this event, and we are very pleased to be partnering with them to raise money for and awareness of our programs," said Dr. Linda Pfeiffer, founder and president of INMED.

THE LATEST BUZZ

At the Embassy of Brazil Polo Cup in Poolesville, MD. It's a beautiful afternoon to be raising money for the children!

@INMEDChildren

Over the past three years, the NetWitness Ride for the Kids events have raised more than \$50,000 to benefit children with Down Syndrome, Opsoclonus-Myoclonus Syndrome (OMS), a rare neurological disorder, and Fragile X, a family of genetic conditions which are the largest known cause of autism.

INMED's mission is to rescue children from the immediate and irreversible harm of disease, hunger, abuse, neglect or violence and to prepare them to shape a brighter future for themselves and the next generation. Its programs serve children in Loudoun County, Virginia and the city of Compton in California, and also in Brazil, Jamaica, Peru, South Africa and Trinidad and Tobago. All the proceeds from this event will go towards new and existing programs for the children.
